*Honours Bachelor of Science with  
Major in Computer Science and  
Minor in Entrepreneurship  
(CO-OP Program)*

7.40 CGPA

*Honours with distinction  
throughout High School.*

### About Me

Got into Esports after the COVID-19 Pandemic started, I needed a competitive outlet that was usually filled by Sports, and LoL fit perfectly. I've been playing for a little over a year now, and I want to do something more with my passion. I've played sports my entire life, and I want to help Esports in Ottawa grow, hopefully giving kids the same opportunity, I had to enjoy their passions in a team environment.

### Experience

- Coached Youth Soccer with Ottawa City Soccer Club
- Coached Middle School Boys Basketball
- Competed in high-level competitive sport through Middle/High School
- Avid fan of League of Legends. Mid-Platinum after a year of playing. Follow all the major professional leagues. General massive nerd for anything League of Legends.
- Member of the University of Ottawa Esports Club
- Avid supporter of Esports. I want to see youth Esports become something more, and to see the scene grow in general.

## Key Skills

Creativity  
Leadership  
Communication  
Work Ethic  
Motivated Self-Starter

## Leadership

- Captain of many high-level competitive teams throughout High School
- Starting in grade 10, I was the head of the organization that handled all events at my High School. This included concerts, guest speakers, etc.

## Teamwork

- Experienced working in teams, both in a professional and casual setting
